
**PROPOSED TEMPORARY ROAD CLOSURE
IMPACT REPORT:**

**NATIONAL TRIATHLON CHAMPIONSHIPS –
SATURDAY 13 MARCH 2010**

1. Description of Event

This event has become a regular on Wellington City's sporting event calendar and will comprise four separate races. The event is proposed to be held on Saturday 13 March 2010 - starting at 7am. All races are proposed to start from Waitangi Park, except the shortened course event. The NZ Contact Trophy will involve approximately 150 athletes on the various swim, cycle and run courses within the proposed road closure area and outside the road closure area to and from the Miramar Peninsula. At 8.15am a beginner's event, the 3:9:3 which is a shortened version of a triathlon, will leave from Freyberg car park involving approximately 500 athletes and first timers. At 10am the ITU Under 19 Oceania Cup begins involving approximately 150 athletes. This is an additional event this year and will bring additional athletes to the city from Australia in particular, with increased economic benefit as a result. At 10.45am the ITU Oceania Cup begins involving approximately 50 elite athletes on a swim, cycle and run course entirely within the proposed closure area.

The proposed road closures are for Saturday 13 March 2010, from 6am to 1pm, of **Oriental Parade** (all of Oriental Parade from Cable Street to Evans Bay Parade); **Carlton Gore Road** (Oriental Parade to Maida Vale Road) and **Evans Bay Parade** (Oriental Parade to just north of the NIWA building, 301 Evans Bay Parade). The proposed times have been extended by one hour, to 1pm, to enable the running of the new under 19 event.

Access will be maintained (although this may be limited at times) by the event marshals for residents and businesses in the Herd Street area. Residents on Oriental Parade, Carlton Gore Road and Evans Bay Parade will also have access to and from their properties (although this also may be limited at times). Access in both directions on Evans Bay Parade from Greta Point southwards to Wellington Road will be maintained. The event organisers are to maintain as much access for residents within the closure area as possible. Known stakeholders in the Oriental Parade area have been informed and communicated with regarding the proposed closures. Road closure notification signs will be placed at points along the proposed closure route at least one week prior to the event. Residents and local businesses will receive a letter drop advising them of the event and the road closures. The event is also to be advertised in the Our Wellington Page of the Dominion Post on the Tuesday preceding the event.

The event is to be traffic managed by a national, professional traffic management company. Pedestrian access will not be restricted and emergency services will have immediate access to the area if required. Transport operators have been informed of the proposed closures.

2. City Events Support

This local and international sporting community event is supported by the City Events Team.

3. Proposal Notice

The public notice that the Council was proposing to consider this closure was published in the following newspaper:

- Dominion Post Saturday 19 September 2009

4. Objections

No objections were received in response to the proposal notice.

5. Traffic Impact Assessment

Prior Closures

None of the proposed closures for this event will result in a road being closed for an aggregate of more than 31 days in any year.

Traffic Impact

In the opinion of Soon Teck Kong, Manager Transport Network, acting as the Council's Traffic Engineer, the proposed closure, if implemented according to the plans provided, is not likely to impede traffic unreasonably subject to the conditions below. However, the Council reserves the right to modify this opinion at any time. If, in the opinion of the Council, the closure may or does impede traffic unreasonably, any approval granted by the Temporary Road Closures Subcommittee may be revoked and the event organiser may be required to open the road at the direction of a suitably qualified Council officer in charge of traffic.

Conditions:

- The event organiser is to publicly notify the event via letter drop, local newspaper advertisement, advanced signage and media releases.
- The event organiser is to ensure that the emergency services (Police, Fire and Ambulance Services) have been consulted with and that the Traffic Management Plan includes all of their specific requirements.
- The event organiser is to ensure that the affected property owners and businesses along the closure areas are consulted with.

- The event organiser is to provide marshals at all closure ends and intersections/bends to ensure that public safety (interaction of traffic and spectators) is not compromised.
- The event organiser is to work with the public transport operators to provide alternative public transport route and bus stops.
- The event organiser is to provide further details of the Traffic Management Plan to Council for approval prior to the event.

Signed:

.....

Soon Teck Kong
 Manager Transport Network

Proposed road closures

The Temporary Road Closures Subcommittee will meet on Thursday 15 October 2009 to consider the following proposed temporary road closures for events:

- ~~The Bond Street Fair – Saturday 7 November, from 8am to 6pm~~
- ~~Bond Street (between Victoria Street and Willis Street)~~
- ~~St Hill Street~~
- ~~Bond Street Service Lane.~~

Deleted

It's All White on the Night – Football World Cup qualifier after party – Saturday 14 November, from 4pm to 2am
• **Inglewood Place** (for approximately 30 metres adjacent to the Four Kings Bar).

Te Ra-o-Kupe (The Kupe Festival) – Sunday 22 November, 7am to 5pm
• **Marine Parade, Seatoun** (between Falkirk Avenue and Ventnor Street).

Any person objecting to a proposed road closure must contact the City Council in writing before 4pm Wednesday 7 October 2009. Please send correspondence to Gail Reeves at the mailing address below, by fax to 801 3009 or by email to gail.reeves@wcc.govt.nz

District Plan Change 69 – decision

On 17 September the Council voted to approve the following District Plan change:
• **District Plan Change 69 – Contaminated Land**

The full text of this decision is available for inspection during working hours at:
• **the City Service Centre, 101 Wakefield Street**
• **online at city libraries**
• **www.Wellington.govt.nz/plans/index.html**

Notice of the decision is given under Clause 10(3) of the First Schedule to the Resource Management Act 1991. From the date of this notice the proposed District Plan change is amended in accordance with this decision.

26 September 2009
For further information, please call Brett McKay on 801 3511.

Supporting Information

1) Strategic Fit / Strategic Outcome

Temporary road closures for events contribute to the council's desire to be the events capital of New Zealand. Specific council strategies that are supported by this include:

- More liveable – through prudent management of the road network.
- More eventful – some events may not be possible without temporary road closures.
- More actively engaged – affected stakeholders will have the opportunity to provide feedback on proposed closures.
- Better connected – through better management of traffic flows. Conversely road closures could sever key transport routes.
- More prosperous – the film industry relies on road closures, and other types of events increase commercial activity.

2) LTCCP/Annual Plan reference and long term financial impact

Administration of the proposed closures is budgeted for under Annual Plan Project C481 Network Activity Coordination. There will be no long term financial impact to the Council resulting from these closures.

3) Treaty of Waitangi considerations

No significant Treaty implications.

4) Decision-Making

This is not considered to be a significant decision.

5) Consultation

a) General Consultation

Key event organisers and other stakeholders (such as public transport and emergency services) have been consulted with to determine whether they would be impacted by the proposed closures, and where appropriate any traffic management plans have been modified accordingly.

b) Consultation with Maori

No specific consultation with Maori was carried out.

6) Legal Implications

The process used to consider the proposed closures for approval is in accordance with the advice provided by the council's lawyers.

7) Consistency with existing policy

The plans for the proposed closures and this report have been prepared in accordance with the process approved by the Temporary Road Closures Subcommittee on 28 June 2007.
