

Grant Recommendations: Environmental Pool July 2007

Appl No	Organisation Name	Project Description	Total Cost	Amount Requested	Recommended Amount	Priority	Strategic Fit / Criteria Concerns	Focus Area
1	2020 Communications Trust	Wellington eDay - recycling of unwanted computer and mobile phone equipment	\$40,500.00	\$10,000.00	nil	B	Fits with Solid Waste Management Plan, raising awareness of environmental issues Council officer part of local organising committee, CityOps can fund if grant declined More information received regarding budget	Participation
2	Albemarle Stream Care Group (under Otari-Wilton Bush Trust)	Albemarle Stream Care Group - install walking track and associated facilities	\$23,530.00	\$11,765.00	\$5,000.00	B	Stream protection: Resubmitted from March. Have funding from GW for weed control, rubbish removal - this request is for track installation, picnic areas etc. Waiting on more information regarding other funding. Recommend tag that Parks & Gardens monitor budget, suggest priorities	Stream Protection
3	Environment & Conservation Org of NZ	two seminars providing environmental education on marine environment	\$1,075.00	\$1,075.00	\$250.00	B	Environmental education, encouraging public participation in policy and decision making. Recommend tag to venue hire and publicity suggest that they use marine bioblitz to promote SeaNet	Participation
4	Friends of St Anthony's (under St Anthony's School)	Seatoun Garden and Art Festival	\$5,000.00	\$2,500.00	nil	C	No fit with Environmental priorities. Explicit aim of festival is to raise funds for school - budgeting for a profit even without a grant	no fit
5	Gecko (under Victoria Uni Wgtn Students Assn)	publication of sustainable living guide for young people in wellington	\$7,935.00	\$4,935.00	n/a		Recommend transfer to Social	
6	Innermost Garden Inc	decontamination scoping exercise at Innermost Gardens	\$10,000.00	\$2,700.00	nil	B	Recommend defer application to November round. This would allow time for discussion and confirmation of location and any final lease approval	Biodiversity
7	Makara Peak Mountain Bike Park Supporters Group	continue planting native trees and kill gorse/barberry from tracks on Makara Peak	\$4,990.00	\$4,990.00	\$4,990.00	A	Biodiversity enhancement: 2 ongoing projects - supervision of volunteers planting approx. 1200 natives; spraying gorse by tracks to prevent regrowth Sports/rec participation as well as environmental outcomes	Biodiversity

Grant Recommendations: Environmental Pool July 2007

Appl No	Organisation Name	Project Description	Total Cost	Amount Requested	Recommended Amount	Priority	Strategic Fit / Criteria Concerns	Focus Area
8	Manawa Karioi Society	plant nursery repairs	\$6,400.00	\$4,960.00	\$3,500.00	A	Biodiversity enhancement: Active society involved in planting natives on reserve land. Nursery allows them to grow and store their own native seedlings	Biodiversity
9	Operation Green Thumb	renovation of Newtown Park Flats community garden, and purchase of mulcher shredder	\$5,000.00	\$4,835.90	n/a		Recommend transfer to Social	
10	Queen Elizabeth II National Trust	to fence 22 ha of native forest land adjacent to Karori Wildlife Sanctuary	\$68,200.00	\$15,000.00	\$12,000.00	A	Biodiversity enhancement: fencing new open space covenant area near Sanctuary. Parks & Gardens see as high priority	Biodiversity
11	Royal Forest & Bird Protection Society Inc	Marine BioBlitz at Kevin Smith/Kupe Reserve	\$28,930.36	\$7,910.00	\$5,000.00	A	Raise public awareness of marine and coastal biodiversity, education and participation. Note already received 12k for coordinator salary, 5k from Parks. Updated budget received - now requesting \$7910. Tag - exclude catering	Participation
12	Sustainability Trust (Trust Sustainability Trust)	Southern Wellington Green Space partnership	\$13,080.00	\$9,200.00	nil	B	Good fit in principle with biodiversity plan but premature at this stage: The Biodiversity Action Plan research phase needs to be well underway before we are in a position to manage the commitment of community groups on the scale proposed. There is the potential for unrealisable expectations arising from the specific focus of the proposal rather than the city wide view and subsequent prioritisation against available resources.	Biodiversity
		Totals:	\$214,640.36	\$79,870.90	\$30,740.00			
				Amount Available:	\$30,000.00
