## **PROPOSED TEMPORARY ROAD CLOSURE IMPACT REPORT:**

### **KIRKCALDIES CHARITY EVENT**

---

#### **1. Description of Event**

This is the second Kirkcaldies Street party charity event, to be held on Saturday 24 November. It was a very popular and busy event last year. Whilst the event starts at 11.00am they need to have the road closed from 6.00am to enable the erection of a Marquee and other set-up tasks. They wish the closure to be on Brandon Street between Lambton Quay and Featherston Street, with no parking within that area.

Affected businesses and residents in Brandon Street have been notified and a further information notice will be given to these people two weeks before the actual closure as a reminder.

Road closure information boards will be in place prior to the closure and the closure will be undertaken by E M Services Traffic Management.

#### **2. City Events Support**

The City Events Team has no objection to this event.

#### **3. Proposal Notice**

The public notice that the Council was proposing to consider this closure was published in the following newspapers:

- Dominion Post 22<sup>nd</sup> September 2007.

#### **4. Objections**

No objections were received in response to the proposal notice.

#### **5. Traffic Impact Assessment**

##### **Prior Closures**

None of the proposed closures for this event will result in a road being closed for an aggregate of more than 31 days in any year.

**Traffic Impact**

In the opinion of the Council's Traffic Engineer, the proposed closure, if implemented according to the plans provided, is not likely to impede traffic unreasonably. However, the Council reserves the right to modify this opinion at any time. If, in the opinion of the Council, the closure may or does impede traffic unreasonably, any approval granted by the Temporary Road Closures Subcommittee may be revoked and the event organiser may be required to open the road at the direction of a suitably qualified Council officer in charge of traffic.
