Wellington

3/3/05

REPORT 1
(1215/11/IM)

NOTICE OF MOTION: REVOCATION BY REQUISITION UNDER STANDING ORDER 174

Chief Executive

I give notice of motion to seek to revoke/alter a resolution made at:

Council/Committee//Subcommittee:	Waterfront Development Sub Committee
Date of meeting:	30 September 2004, and 13 December 2004.

Text of resolution made at that meeting to be revoked/alterd:

30 September 2004:

“Approve the design of the public space and concept design of a building on Site 7 to enable consultation to be undertaken”

13 December 2004:

“Agree that no changes be made to the Kumutoto Public Space design and Site 7 building concept design”

Text of substitute motion:

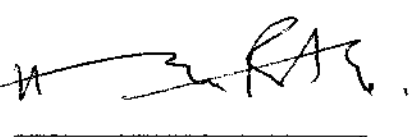

Agree that the public should be consulted on two options, including costs, for the development of Kumutoto involving two different scenarios for site 7:

one the development of the Building designed by The Studio of Pacific Architecture,
and the other as a landscaped public park

Agree that after consultation with all interested parties, the Waterfront Development Subcommittee will determine the appropriate means to facilitate public consultation over at least a four week period

Agree that following completion of the consultation, and a professionally designed and conducted opinion poll, Council consider the results of the consultation and poll and make a decision between the two options

Mover Name: JACK RUBEY
Date: 3/3/05

Seconder Name: Helene Ritaine
Date: 3/3/05

RENEWED ISSUE UNDER STANDING ORDER 171

Text of Substitute Motion:

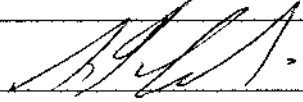

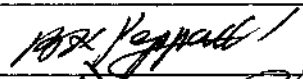

Agree that the public should be consulted on two options, including costs, for the development of Kumutoto involving two different scenarios for site 7:

- one the development of the Building designed by The Studio of Pacific Architecture,
- and the other as a landscaped public park

Agree that after consultation with all interested parties, the Waterfront Development Subcommittee will determine the appropriate means to facilitate public consultation over at least a four week period

Agree that following completion of the consultation, and a professionally designed and conducted opinion poll, Council consider the results of the consultation and poll and make a decision between the two options
