

Terms and conditions of use

Wellington City Council CRS data downloaded from the Council FTP site.

(Parcel Boundaries, Road Centrelines, Address Points data)

October 2008

Dear Council GIS Data User.

Please read and accept the following terms and conditions before you download and use Council GIS data from the FTP site. By downloading the data you agree to these terms and conditions of use.

Update Frequency

The CRS data on the FTP site is updated monthly. Please regularly download fresh data from the FTP site to ensure you are using current data.

Accuracy Statement

Approximate accuracy of LINZ CRS data:

Urban areas: +/-1m

Rural areas: +/- 30m

Published Maps/Drawings/Designs

Any maps/drawings/designs that show CRS information derived from the CRS data should show a date that the data was downloaded, and contain the following disclaimer:

'Property Boundaries Land Information, Crown Copyright Reserved.

Accuracy in urban areas generally: +/-1m

Accuracy in rural areas generally: +/-30m'

Supplying Data to Third Parties

Data downloaded from this site should not be supplied to any other party. Other parties should be directed to read and accept the terms and conditions on this document, and then download the data themselves.

The data is owned by Land Information New Zealand (LINZ).

Address Points

The address data is only a copy of information held by LINZ. It is not complete, its accuracy may vary and should only be used as a guide. If an accurate address is required, contact the GIS Operations Team.

I accept these Terms and Conditions
