

Terms and Conditions of Use

Wellington City Council GIS Services data downloaded from the Council FTP site. (Water, Sewer, Storm Water data)

October 2008

Dear Council GIS Data User.

Please read and accept the following terms and conditions before you download and use Council GIS data from the FTP site. By downloading the data you agree to these terms and conditions of use.

Update Frequency

The Services data on the FTP site is updated every week night. Please regularly download fresh data from the FTP site to ensure you are using current data.

Accuracy Statement

The Council provides the Services data to assist planning of works in proximity to the Services. The Council does not guarantee the accuracy of the Services data, and the Services data should not be used as a sole source of locating Services.

For more accurate location of Services, call the Council on 04 499 4444 for an on-site free location service.

Liability

The Council accepts no liability for injury, death or loss resulting from the use of the data. The accuracy of the data may vary and should only be used as a guide.

Published Maps/Drawings/Designs

Any maps/drawings/designs that show services derived from the Services data should show a date that the data was downloaded, and contain the following disclaimer:

'Water, Sewer and Storm Water data owned by Wellington City Council – WCC Copyright reserved. Data changes frequently and its accuracy may vary.'

Supplying Data to Third Parties

Data downloaded from this site must not be supplied to any other party. The other party should be directed to read and accept the terms and conditions on this document, and then download the data themselves.

I accept these Terms and Conditions
