PROPOSED DISTRICT PLAN CHANGE 28 – NON-NOTIFICATION
STATEMENTS IN THE OPERATIVE DISTRICT PLAN

WELLINGTON CITY DISTRICT PLAN
Clause 5 of First Schedule, Resource Management Act 1991

The Wellington City Council has prepared the following proposed change to the Wellington City District Plan:
Non-notification statements in the Operative District Plan

The recent Resource Management Amendment Act 2003 created a technical anomaly in the operation of Wellington City District Plan, which prevents the existing 'non-notification' statements from working in the way they were intended. The 79 non-notification statements, which apply to all the chapters of the Plan, were previously debated and approved in the development of the District Plan (the Plan has been fully operative since July 2000). The intent of the proposed change is to restore the non-notification statements to their previous function, to allow them to work in the same way as they did before the Amendment Act came into effect.
