

## 2.3 OPPORTUNITIES FOR WELLINGTON'S NETWORK

The opportunities for Wellington's network surround the improvement of the existing network and extension of new tracks within the network. These specific opportunities are discussed within section 6 as the Top 10 initiatives and the five objectives for each sector which will be developed further in the implementation plan.

## 2.4 THREATS TO WELLINGTON'S NETWORK

- Unlawful/informal track building.
- Conflict of uses.
- Poor design and/or harsh conditions leading to deterioration.
- Development ending or dissecting access.
- Private landowners disallowing access to tracks on private land.
- Inadequate maintenance

# 3. VISION

Wellington City Council wants to strengthen and improve the open space access network through a plan that will:

- *provide outstanding opportunities for recreation and tourism within the open spaces of Wellington*
- *ensure that tracks provide for a range of user interests, skills, abilities and fitness levels within each area*
- *achieve a quality primary network accessing major destination points in Wellington and adjoining districts, and linking with an equitable distribution of secondary and local track networks and recreational facilities.*
