The information supplied will be kept by Wellington City Council but may only be used for lawful official purposes and will not be generally available to the public. However, section 35 of the Dog Control Act 1996 allows the name and address of the owner of any specified dog to be made available to any person who has made a written application for that information. Wellington City Council must be satisfied of the identity of that applicant and that the information is required for one of a limited number of specified purposes, such as returning a lost dog to its owner or seeking compensation for damage.

### Notes on registration

All dog owners with dogs ordinarily kept in the Wellington City district must register their dogs with Wellington City Council.

'Owner' – means any person who owns a dog or has it in his/her possession (other than for the purpose of returning it to its owner) or the parent or guardian of a person under 16 years old who owns a dog.

All dogs over the age of three months must be registered.

It is an offence to keep a dog older than three months which is unregistered. On conviction you may be liable to a fine of up to \$3000.

When you have filled out this form, please post the form and the fees to the Animal Control team at Wellington City Council, PO Box 2199, Wellington or deliver them to the Wellington City Council Service Centre.

It is an offence, when applying to register a dog, to make any written statement knowing that statement to be false. On conviction you may be liable to a fine of up to \$3000.

Replacement discs and collars can be obtained from Wellington City Council if the dog's disc or collar has been lost or stolen.

Any dog not wearing a collar with a current registration label or disc attached will be treated as unregistered until proved otherwise. If any dog over the age of three months is found not wearing a collar with a current registration label or disc attached, on land or premises other than its owner's land or premises, or in any public place, the dog may be seized and impounded.

When changing ownership of any registered dog, both the previous owner and the new owner must, within 14 days, give written notice to Wellington City Council with the residential address of the new owner and the address at which the dog will be kept. It is an offence not to comply with this requirement. On conviction you may be liable to a fine of up to \$500.

If the owner's address is changed within the district, the owner must, within 14 days, give written notice of the change to Wellington City Council.

If any dog is transferred and kept in the district of another territorial authority for one month or more, the owner must, within six weeks of the transfer, give written notice of the transfer to both territorial authorities, providing the address at which the dog will be kept. It is an offence not to comply with this requirement. On conviction you may be liable to a fine of up to \$500.

If the fee for a dog registration is paid and that dog dies, a refund will be made on request as follows:

- Where a dog dies before the start of the year, the full fee will be refunded.
- Where a dog dies during the year, 1/12th of the annual fee for each complete month remaining in the registration year after the date of application for a refund will be refunded.

This refund can be donated to the Society for the Prevention of Cruelty to Animals if requested on this form.

If three-month-old dogs are required to be registered after 1 August in any registration year, the fee shall be 1/12th of the annual fee for each complete month remaining in the registration.

The registration fees include GST.

Owners claiming a reduced fee for neutered and spayed dogs must produce a certificate from a registered vet.

The Council encourages dog owners to become approved responsible dog owners and be rewarded with lower dog registration fees. Registration fees must be paid by 1 July or these owners will risk losing their responsible dog owner status.

### Did you know?

Your dog registration fee is used for:

- education programmes and campaigns for schools, community groups and businesses
- dog control, including law enforcement, patrols and attending to complaints and incidents
- signs and advertising about dog bylaws
- administering the dog shelter at Moa Point
- administering the Council's overall dog control programme. This includes paying for forms, maintaining the dog register, paying for and distributing registration tags and any promotional material.

If your dog is registered and wearing its registration tag, it is easily identifiable. This means that if it is lost or is found roaming, you can be contacted. It also means that other dogs that are creating a nuisance can be identified and any complaint dealt with.

**Remember, your dog must be registered by 1 July.**
