Annual Report to Liquor Licensing Authority

The following report is a summary of activities for the Wellington District Licensing Agency, pursuant to section 105 (1) of the Sale of Liquor Act 1989, for the financial year 1 July 2007 to 30 June 2008. This report also contains, for the Authority's consideration, recommendations for legislative change.

This report has been prepared by the Wellington District Licensing Agency for the Liquor Licensing Authority with copies to Wellington City Council and the Building Consents and Licensing Services Directorate of the Council.

Personnel changes

The District Licensing Agency is a unit within the Public Health Team of the Building Consents and Licensing Services Directorate of the Council.

Karen Binnie, the Administration Officer, began working at the District Licensing Agency in November 2007.

Helen Savage, the Team Leader, began working at the District Licensing Agency in March 2008.

District Licensing Agency work flow

The DLA handled a total of 2020 applications in the 2007–2008 financial year, compared to 2047 applications in 2006–2007. The marginal decrease can be explained by the fact that the 2006–2007 financial year was the renewal period for a number of club licences.

There was a significant increase from 1163 to 1243 in the number of manager's certificate applications received in 2007–2008 over the previous financial year.

The total number of licences in force increased from 687 to 697 over the financial year. This is due largely to a number of new premises being set up in the CBD.

Conferences

Richard Putze and Joanne Burt attended the New Zealand Institute of Liquor Licensing Inspectors conference in Taupo in August 2007. The conference was addressed by Judge Unwin and members of the Liquor Licensing Authority Secretariat. The conference was also attended by a number of members of the New Zealand Police who have liquor as part of their portfolio.

Alison Box and Helen Savage attended the Alcohol Advisory Council's 'Working Together' conference, held in Nelson in April 2008.

2.a. Agency initiatives (new)

Initiatives

The Liquor Team reintroduced the message pens that were created three years ago as a reminder to managers and staff of their host responsibility obligations. Six key messages are featured on the barrel of the pen. These messages are:

- Be sure they are 18+
- Serve drinks not drunks
- Eating isn't cheating
- How about low-alcohol?
- Offer safe transport home
- Is your certificate current?

Promoting Student Safety

District Licensing Agency (DLA) staff continue to focus resources on key target areas such as student focused bars. With the assistance of the Council's City Safety Team and their additional resources a wider audience can be targeted in future.

The DLA messages are aimed primarily at students and bar operators. We encourage sensible drinking – while we appreciate that many students drink, we want them to look after themselves and others and to 'stay safe'.

The bar operators were enthusiastic, pro-active and keen to provide a safe environment.

The campaign features four simple messages:

- **Look after your mates.** Don't let your friends try and get home alone particularly if they are intoxicated. Look after them at the pub as well.
- **Have you eaten yet?** We and the bar operators are encouraging students to eat – which will slow down their drinking and lessen intoxication. Bars are offering cheap food options on student nights.
- **How much is too much?** Again – encouraging sensible drinking and not to the point of total intoxication. Intoxicated people make bad choices.
- **How are you getting home?** We want to remind students to think about how they will get home safely. Don't walk home alone, stay out of the 'shadowy' areas, and take public transport or taxis. Some bars are now offering free pick-up and return shuttles.

These messages are being promoted via DVDs, drink coasters and packs of playing cards.

Agency Meetings and Hearings

There have been no hearings of the District Licensing Agency this year.

2.b. Agency initiatives (ongoing)

Liquor Control Bylaw now 24 hours a day

The Council introduced a liquor ban under the Liquor Control Bylaw to the central business area in November 2003. This bylaw placed a ban on the consumption and possession of liquor in public places within the Wellington Central Area (including residentially zoned sections) during Friday and Saturday nights, and occasionally during special events.

The Council adopted an amendment to the Wellington Consolidated Bylaw 2008 Part 4 (Liquor Control) on 27 June 2008. The amended bylaw now prohibits the consumption and/or possession of liquor in public places at all times in the liquor control area. The amendment extended the area covered by the liquor ban to include Aro Valley and Central Park as well as the CBD, Oriental Bay and the Mt Victoria Lookout. The amendment to the Bylaw came into force on Thursday 31 July 2008.

The purpose of the bylaw is to address concerns relating to potential criminal offending and safety concerns linked to the possession or consumption of alcohol in public places. The bylaw is a proactive initiative by the Council to limit alcohol consumption in public areas, to increase the public perception of safety and to reduce alcohol-linked offending.

Ko-ordinated Enforcement Group (KEG)

The purpose of the Ko-ordinated Enforcement Group is to encourage regulatory authorities to work together in order to meet their responsibilities under the Sale of Liquor Act 1989 with the aim of contributing to the reduction of alcohol-related harm in the community.

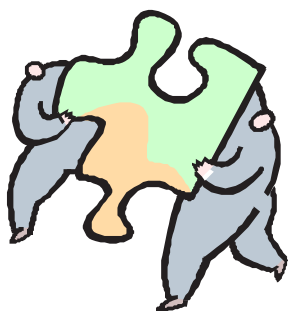

It is often preferable that licensees take remedial action in the time between the detection of an offence and a hearing. It is in the interests of all parties to achieve a good result without incurring the costs associated with hearing proceedings.

This approach has streamlined enforcement action without compromising the outcomes sought when matters are referred to the Liquor Licensing Authority.

KEG meetings throughout the 2007–2008 year dealt with matters ranging from the presence of intoxicated persons on licensed premises, to incidents of violence on these premises.

KEG has recommended to the premises concerned that they should instigate management policies and review and/or change their practices in order to reduce liquor abuse. They are also monitoring to ensure that these policies and practices are effective in bringing about a change.

Police and DLA Newsletter

Wellington Police and the DLA identified a need to communicate information to licensees quickly and efficiently on important policing, legislative or process issues.

The agencies developed a newsletter that is circulated electronically to registered email recipients. The newsletter alerts licensees and managers to current DLA and policing issues, such as disorder, intoxication, licence conditions and aspects of the Sale of Liquor Act.

The liquor licensing section of Wellington City Council's website, the Police and the DLA Inspectors promote the newsletter and advise customers on how to join up.

The main features of the liquor licensing section of Wellington City Council's website include:

- links to the City Council's Liquor Licensing Policy
- details of the Wellington Liquor Ban under the Liquor Control Bylaw
- the Agency's annual reports
- application forms for each type of licence, manager's certificate, renewals, special and temporary authority
- guidelines for special licence applications.

On The Town

On the Town, the Agency's quarterly newsletter that combines information about liquor licensing and environmental health issues continues to be produced and is now up to issue #29.

Wellington Liquor Liaison Group

The group continues to be an effective amalgamation of members of different organisations. The committee met seven times during the year.

3. *Wellington's Liquor Licensing Policy*

The aim of the policy

The policy aims to provide a framework for consistent decision-making about the sale of liquor within Wellington City – with the intent of reducing alcohol abuse. It balances community expectations about how alcohol is made available to consumers with legislative requirements governing generally accepted norms of behaviour. The policy allows the Council to fine-tune the application of the Sale of Liquor Act 1989 through its own activities and those of the Liquor Licensing Authority (LLA).

The policy is designed to help the Council meet its obligations under the Act.

Background

The DLA's first Liquor Licensing Policy was produced in 1993. It was replaced in 1996 with a policy that remained an interim document pending public consultation that was deferred until the Sale of Liquor Act 1989 was amended. The Liquor Licensing Policy: reducing alcohol abuse, September 2000 was adopted following close consideration of the Sale of Liquor Amendment Act 1999. Two years later a policy review examined the implications of recent changes to the licensing environment. This resulted in the current policy, which was ratified in March 2003.

This policy allows for the particular requirements of the city's community to be expressed, and assists both the DLA and LLA in making their decisions. A local policy provides direction on local matters and is designed to influence the decision-making process.

Balancing the needs of the community and the entertainment and recreation sectors is not always easy. Wellington City is an entertainment destination and bars, clubs and taverns provide colour and vitality to many parts of the city.

This policy builds on previous documents to provide a transparent and consistent set of guidelines that will support this increased role for the DLA within Wellington City.

The policy includes:

- the ability for off-licence operators to apply for 24-hour trading in the central city
- a new set of criteria for off-licence applicants seeking to extend their hours of operation
- clarification that all applications will be considered by the DLA
- clarification that a case may be made to the DLA for exceptions to be made to the standard limits on hours of operation contained in the policy
- inclusion of a section advising people on the statutory requirements for public notification.

4. Amendments to the Sale of Liquor Act and Regulations

The DLA considers that the following issues require attention.

Hotels and taverns trading on statutory days

The Sale of Liquor Act currently prohibits the sale of liquor on Good Friday, Easter Sunday, Christmas Day and before 1pm on Anzac Day when the premises are operating as an off-licence, hotel or tavern.

In light of increasing public demand for extended hours for shopping and entertainment, the DLA would like to see a review of the prohibition against such trading. The Agency recommends that trading be allowed until 2am with the hours falling between midnight and 2am forming part of the day before. This is comparable to how the Liquor Licensing Authority dealt with licenses with Saturday hours until 3am when there was a prohibition against Sunday trading.

At present the DLA, along with the Police, have developed a policy for any special licence that is granted for a statutory holiday which requires the event to cease at 2am.

If a licensee is able to trade those extra couple of hours then there should be a reduction in the number of special licence applications for events which are essentially an extension of trade.

Designation of bottle stores

The Act does not make provision for an imposed designation unless the premises are operating as a tavern or hotel where any part of the premises is used principally or exclusively for the sale, supply, or consumption of liquor.

The Agency considers that bottle stores should require a designation for the premises as there is no known reason for an unaccompanied minor to be in a bottle store.

The results of controlled purchase operations throughout the country support a supervised designation being mandatory on an off-licence pertaining to a bottle store.

Sale of Liquor Act – Section 36

“Nothing in subsection (2)(b) of the section shall authorise the grant of an off licence in respect of any supermarket or grocery store, or any other premises on which the principal business is the sale of food or groceries.”

Specialised business as such as delicatessens that sell food from different origins or produced on the premises – and which give customers the option to either eat on the premises or take away – are increasingly popular in the city. The Act should be amended to allow food businesses of a speciality nature to sell alcohol that will complement the food – whether alcohol is consumed on the premises or elsewhere.

Fee review to enable DLAs to recover costs

Fees under the Sale of Liquor Regulations were last amended in 1999. Councils annually review fees and these fee reviews take into account the current costs of delivering work in that district and are based on a funding policy incorporating a split between applicants and rates funding. Central government has directed local government to pick up increased areas of work – which puts increasing demands on rates funding. Wellington City Council, like many other agencies, is looking for a greater user-pays focus on fees for commercial operators.

5. Enforcement and monitoring

Inspections

As of 1 July 2008, there were 697 licensed premises operating within the Wellington DLA's jurisdiction. An inspection target was set for the 2007-2008 financial year of Risk Category 1, 2 and 3 premises.

Risk Category 1 (none require inspection) = theatres, hotels, function centres, auctioneers, gyms, caterers off-licence, mail order, tastings, hospitals, tourist houses, airport and complimentary licensed premises.

Risk Category 2 (25% require inspection) = function centres, restaurants, conveyances, hotels, adult entertainment, sports clubs, chartered clubs, cultural clubs and social club licence premises.

Risk Category 3 (all require inspection) = taverns, night clubs, bottle stores, grocery stores, and supermarket licensed premises.

New premises = 100% are required to be inspected.

For the year to 30 June 2008 a total of 531 inspections of licensed premises had taken place. This total was made up of:

- Risk 1 Of 100 premises, 18 were inspected (18% over the inspection requirement)
- Risk 2 Of 349 premises, 163 were inspected (154% over the inspection requirement)
- Risk 3 Of 238 premises, 315 were inspected (32% over the inspection requirement – some inspected more than once)
- New 35 (all were inspected)

Ko-ordinated Enforcement Group (KEG)

The Ko-ordinated Enforcement group held two meetings with licensees and managers this year to discuss enforcement and compliance issues.

6. Partnerships

The Wellington Liquor Liaison Group

DLA Officers continue to support the Wellington Liquor Liaison Group. Current membership includes the Alcohol Advisory Council of NZ, NZ Police, Hospitality Association NZ, Wellington City Council, Accident Compensation Corporation, Regional Public Health Service and the NZ Fire Service.

Meetings are generally held every two months. The group met on seven occasions during the year to discuss current issues and to work together to improve host responsibility practices and to co-ordinate generally on issues around reducing alcohol related harm.
