LOADING ZONE AUTHORISATION SCHEME

This is to allow small business operators to service their business/customers without going to the expense of purchasing a vehicle that is as specially designed for the carriage of goods. At the same time it prevents motorists who are not involved in a goods service from parking on a loading zone.

An administrative fee of \$55 per permit applies (for one year) payable at the time of collection of the permit from Wellington Parking & Infringement Services at 40 Taranaki Street, Wellington.
