

Application for residents parking permit

An application form and supporting documentation needs to be provided each time you apply for a resident/coupon exemption permit. Send applications to: Wellington Parking and Infringement Services, PO Box 24344, Manners Street, Wellington. You will need to **sign the back of the form** and either enclose a cheque with this completed form, complete the credit card authorisation or pay at our Taranaki Street office (address below). For more information check the parking section of our website Wellington.govt.nz or phone 910 3444.

Residents parking scheme

This scheme recognises the need to provide on-street parking solely for residents in some parts of Wellington City. The cost of this service is \$115 per year or part thereof. Residents' parking areas are clearly signposted and enforced by Wellington City Council. Possession of a permit does not guarantee a parking space. A maximum of two resident permits may be granted per household and one permit per household for multi-unit dwellings.

Please note permits are not refundable. Failure to supply correct information will result in your application being declined. Don't forget to sign the form.

Information for residents permit applications

- If you are a tenant** you must provide confirmation that shows you live at the address applied for. This **must** be in the form of either:
 - a copy of a current/recent tenancy agreement with your name on it, signed within the last 12 months; or
 - a copy of a letter from the owner of the property stating you are a tenant of the property, signed within the last 12 months; or
 - a current (within the last three months) electricity/gas or landline phone bill sent to you at the above address.
- If you don't own the vehicle**, please provide a letter from the owner authorising you to use the vehicle. You must provide a valid reason why you are going to be the primary driver of the car.
- A residents permit does not allow you to exceed any time restrictions when parking in a time-restricted space in a coupon parking area.
- If you purchase a new car or move to another suburb that has residential/coupon parking, you may transfer the permit to the new car/suburb but the old permit must be scraped off the vehicle and brought back to our office. The permit may come off in pieces, but it is important that we view all or parts of the old permit so we know that it will not be in use. Only the original applicant can transfer their permit and you will need to complete a new application form and attach your old permit.
- All motor vehicles must have a current warrant of fitness and registration. A resident permit does not exempt you from that responsibility.
- The fee is \$115 per year or part thereof. Permits are **NON-REFUNDABLE**.
- The vehicle must be registered to your primary place of residence (as above). If it is not, please update your details with NZTA online at www.nzta.govt.nz or over the phone 0800 108 809.
- Permit approval is not guaranteed. Please enquire at Wellington Parking and Infringement Services for more information.
- Failure to comply with the provisions of the Wellington Consolidated Bylaw 2008 (as it relates to parking) will result in the cancellation of a permit. The permit must be displayed on the front windscreen (on the passenger side) of the vehicle for which it was issued.
- The permit must be removed if you move from the area or dispose of the vehicle. It must also be removed when it expires. It is your responsibility to ensure your permit is renewed annually.
- It is important that we receive all supporting documentation with your application (new, renewals and transfers) in order for us to process it.** If you are unsure of what you require please contact us at:
