

Community Gaming Trusts – Funding sources for sports clubs

Funding criteria assessment: updated March 2009

The Wellington City Council has prepared this table for Wellington Sports and Recreation Clubs to help them identify what projects Community Gaming Trusts could fund.

The table also lists some of the things the Community Gaming Trusts will consider when assessing an application e.g. status and finances of sports club.

A brief note on each funder is also provided. This includes contact details and information on funding rounds.

All Community Gaming Trusts can only fund

- ✓ amateur sports clubs
- ✓ sports clubs affiliated with national sporting organisation
- ✓ clubs participating in a recognised sports competition

The Community Gaming trusts will not fund

- × individual sportspeople directly. The individuals club can apply on their behalf for assistance to participate at representative events
- × projects that have already been completed (retrospective)
- × professional sport
- × refreshments, catering and bar staff or bar facilities
- × cash prizes

How to use this table?

This table has a list of some of the common expenses of running a sports club including organising sports events and providing facilities. The table also lists the things that the Trusts use to determine if the sports club meets its criteria (e.g. amateur sports club).

Each Community Gaming Trust operating in Wellington City is listed along the top (Trusts that have contestable funding).
