

# Recycling grant application form for educational facilities

**Organisation name:** \_\_\_\_\_

**Our goal:** To provide financial support to educational facilities to enhance their waste recycling. This recognises that recycling in facilities such as schools and early learning centres is an effective tool to enhance waste education.

## Criteria

1. Your organisation is a registered facility with the Ministry of Education that is not part of another business.
2. Your organisation is not a tertiary institution. It is not included in the Ministry of Education's tertiary institution list.
3. Your organisation can provide evidence of a link between recycling and your waste education programme.
4. Your organisation will provide evidence of a private recycling collection contract prior to payment of the grant.

Please note, grants are capped at \$150 gst exclusive per annum. A grant will be paid annually over the length of the recycling collection contract or agreement. The payment will be the lower of the annual cost of the contract and the grant cap. The grant cap will be subject to the Consumer Price Index (CPI).
