

PROPOSED TRAFFIC RESOLUTION

Reference : TR 155-19

Location: Park Road Miramar

Proposal: To provide parking spaces on Park Road, Miramar following the removal of a bus stop.

Information: Background

In Miramar Avenue a bus stop was removed on Park Road in the town centre when the stop was incorporated into the new bus stops on Miramar Avenue. This space is in an area of high parking demand. To create some turnover consistent with surrounding restrictions, it is proposed to restrict parking to one hour each day between 8am and 6pm in this location.

The proposed change will create three additional P60 parking spaces.

This traffic resolution aligns with and supports the achievement of Council's Transport Strategic outcome of improving accessibility.
